"Put your guests in the picture with a 360 Virtual Tour"

Picture2Movie DVD Order Form

How to Order

Step 1

Collect and organise your pictures.

We suggest that if you want them shown in a particular order then you rename them in numeric order. E.g. 1.jpg, 2.jpg.....

Or why not just leave it to us and we will create the whole show.

Your pictures should be 300dpi for best results. If you are not sure email us one image and we will tell you. If they are less than 300dpi then it will affect the quality and we may need to reduce the size on the screen.

Step 2

Complete this order form.

Step 3

Send it in.

Once you have your pictures on a CD or DVD then place it in an envelope along with your order form and cheque (if paying by that method).

We strongly recommend that where possible you send us a duplicate of your pictures and keep the originals yourself. We also request that you protect your disk by packaging it correctly.

Please Note: We will handle your materials with the utmost care and consideration, however we can not be held responsible for any damage that occurs during the transportation of your materials to us. We would encourage you to post your package to us using a reliable and trackable postal service. Once we have received your package we will send you an e-mail to confirm receipt.

Step 4

Payment.

There are two options for payment, via PayPal direct from the website or via cheque (GBP only). If you chose a cheque payment please send it in with your order. Work will not start until the cheque has cleared. For 'rush' orders payment must be made via PayPal.

Step 5

Enjoy.

When we have completed your show we will send it back to the address indicated on the order form. We will send you an e-mail to confirm it has been dispatched. We would also appreciate an e-mail from you to confirm that you have received it.

Then just sit back and enjoy your show.

Shows are kept for 1 year so that you can re-order copies. After 1 year you will have to complete the order process again unless you have completed a re-order in that time.
